Dear Parents,

Group A of the "2025-2026 CSD Study Trip in Shanghai" arrived at Shanghai Pudong International Airport at 11:45 and had lunch at Ziyang Garden. After lunch, group A visited Nanjing Road Pedestrian Street to gain an initial impression of Shanghai's distinctive urban character. Group B and C departed from Hong Kong International Airport after lunch and arrived safely at Shanghai Hongqiao International Airport at 15:30. Once the groups have reunited, we will visit one of Shanghai's landmark attractions — the Oriental Pearl Tower. After dinner at Xiao Garden, we will check in at a hotel in Shanghai, conduct a fire drill, and have group learning reports before students return to their rooms to rest. Students will report their safety to parents each night. After the accompanying teachers' review meeting, room inspections will be conducted.
